

Questions Posed to the Panel at the Spring 2011 MSAF Conference

Panel discussion and audience questions about timber sale access.

Moderator: Bill Cook, MSU Extension

Panelists: **Bill O'Neill** (*Michigan DNR*), **Ken Guillard** (*Hiawatha National Forest*), **Dean Reid** (*D&S Forestry Services*), **Bill Hasse** (*Verso Paper*), and **Shawn Hagan** (*The Forestland Group*).

1. Can you cite personal experience that makes forest access an issue for you or your sector?
2. Have you seen recent policy or practice changes within your sector, or in other forestry entities, which concern forest road use or access?
3. Do forest certification programs have an impact on forest road use?
4. What are social and professional “etiquette” expectations around reciprocal road use?
5. Can a timber sale contract delegate all road use and access responsibility from a landowner to a timber purchaser?
6. How might the Michigan SAF serve a purpose regarding these issues?

Note: Panel responses to these questions, and questions from the audience, were not recorded.
